School of Management, Gandhinagar
Management Development Programme
on
Finance for Non-finance Professionals
of
UPL Ltd.

Programme Coordinators: Dr. Narayan Baser, Dr. Akash Patel, Dr. Vipul Patel

Duration:

The MDP is spread over three Fridays with the training of 2.5 hours each Friday (Total 7.5 Hours in Online Mode via MS Teams)

Introduction:

Finance for Non-Finance Professionals programme is specially designed to provide basic knowledge of finance for middle level managers of UPL Ltd. from different departments like production, maintenance, planning, projects, safety, quality etc. with non-finance background. This programme has an emphasis on creating financial skills among participants to use financial data for analysis and decision-making. The programme provides the managers with a comprehensive working knowledge of critical financial principles in an easy to follow manner that will help them make better decisions in their organisation.

Learning Objectives:

After attending this programme, participants should be able to

- Gain a greater understanding of the financial objectives of the organization and translate them into action in their respective functional areas.
- Interpret crucial financial data in ways that enable them to improve their effectiveness and make a more productive corporate contribution for value creation.
- Understand the performance metrics of the organisation, read and use company reports and comprehend other managerial finance aspects.
- Work out the financial implications of their day-to-day decisions and Take decisions that have a positive impact on financial objectives of the business.
- Sharpen financial skills that result into optimum utilization of resources and contribute towards competencies for business success.

Programme Contents:

The programme will cover the following broad areas:

- ❖ Understanding Financial Statements i.e. P&L A/c and Balance Sheet
- ❖ Analyzing Financial Statements through Ratio Analysis
- ❖ Analyzing cost data for decision making and Budgeting

Methodology:

The programme uses participative discussion, cases and practical assignments to achieve the learning objectives. Participants are encouraged to bring their problems with an objective to learn through discussion and experience sharing.

Each participant will be mentored for a mini project after the training where he/she can apply his/her learning and gets hands on experience.

Who should attend?

This programme is specially designed for middle level managers of UPL Ltd. from different departments like production, maintenance, planning, projects, safety, quality etc., who are new to the concepts of finance or those who wish to update their knowledge on basics of finance.
