

FINAL PLACEMENT REPORT

2012-14, 2013-15 & 2014-16

“We, at the School of Petroleum Management (SPM), Pandit Deendayal Petroleum University, Gandhinagar, Gujarat, envisaged the increasing needs for well-trained managers suited for the domain of Energy & Infrastructure (E&I), and various functional areas i.e. Finance, Marketing, Operations and Human Resources Management in other industries. All the batches that graduated from SPM since 2008 onwards are well placed in the industry.”

FINAL PLACEMENTS AT SCHOOL OF PETROLEUM MANAGEMENT – A GLANCE

Select Recruiters Speak

Having been associated with School of Petroleum Management, PanditDeendayal Petroleum University, as a proud recruiter since almost last 6 years now, EY has realised that the resources recruited from SPM have delivered substantial value over the period of time through a unique blend of rich energy sector exposure and astute managerial skills. Ernst and Young leadership also appreciates the commitment demonstrated by resources hailing from SPM PDU across hierarchy and looks forward to lasting relationship with PanditDeendayal Petroleum University (PDU) which would result in successful academia-industry collaboration

We at Infosys have been associated with School of Petroleum Management, PDU since its inception and the relationship has strengthened over the years. The primary beneficiary of SPM talent has been our business units aligned to the Energy / Oil & Gas industry verticals. Strong learnability and focus on subject fundamentals make the SPM students exceptional

Tieto's Energy Components (EC) software is the leading solution worldwide as per IDC Energy Insights. And we are always striving to welcome top talent to join us in the journey of finding new perspectives, managing change, simplifying and accelerating our clients' businesses. School of Petroleum Management (SPM), PanditDeendayal Petroleum University (PDU), Gandhinagar has provided us many brilliant colleagues who have been consistently contributing in our global and evolving working environment

PLACEMENT CELL AT SCHOOL OF PETROLEUM MANAGEMENT

“The Corporate Relations and Placement at the SPM is established to fulfil two complementary functions – (i) connecting companies to right students and vice versa and (ii) facilitating symbiotic relationship between companies and the institute. It manages the entire process of placement starting from identifying the organizations, inviting them to the campus, providing them all information, helping students prepare, coordinating logistics during the placement week, and taking care of follow - ups. The Placement Committee plays the major role aptly supported by other faculty members and administrative staff.”
