

JOURNAL OF ENERGY AND MANAGEMENT

CALL FOR PAPER

Click to view/download the first issue: <http://www.pdpu.ac.in/jem.html>

Journal of Energy and Management (JEM) is an International referred peer-reviewed journal. *Journal of Energy and Management* welcomes original papers from both academicians and practitioners on experimental energy science and technology (conventional and non conventional), energy sector related management, business, and organizational issues related to energy and research. Papers, based on theoretical or empirical research or experience, should illustrate the practical applicability and/or policy implications of work described.

The bi-annual journal carries many features including perspectives, conceptual research, empirical research, colloquium, management case, and book reviews. Authors are invited to submit their contribution under any feature.

Aim and Scope: The proposed research journal shall report and focus on identifying new opportunities, challenges, best practices and strategies for global economy on various complementing issues like business & techno-managerial Issues, regulatory & policy matters, marketing issues, financial & accounting issues, operational excellence & management, social & human resource management and capacity building in general and energy sector in specific.

JEM is a peer reviewed journal and follows a 'double blind' review process. All the papers submitted to JEM go through a preliminary review at the editorial desk and those considered appropriate are sent to an Editor representing a specialized domain. On recommendation of the concerned Editor, the Article may be rejected or assigned to two reviewers.

Publication Information: JEM shall be published bi annually. All editorial correspondence should be addressed to the Chief Editor, C. Gopalkrishnan, School of Petroleum Management, Pandit Deendayal Petroleum University, Raisan, Gandhinagar, Gujarat-382010 or sent by mail to jem.pdpu@pdpu.ac.in

The views expressed in the Articles are those of the respective authors. Neither JEM nor Pandit Deendayal Petroleum University, Gandhinagar, Gujarat can accept any responsibility for any in advertent omissions.

Editorial and Administrative Address:

School of Petroleum Management,
Pandit Deendayal Petroleum University,
Raisan, Gandhinagar, Gujarat-382010
