

Placements-2009 @ IPMG: Announcement

Welcome to the Institute of Petroleum Management, Gandhinagar (**IPMG**)!

Institute of Petroleum Management Gandhinagar (IPMG), a constituent Institute of Pandit Deendayal Petroleum University, Gandhinagar has been established in 2006 by Gujarat State Petroleum Corporation Ltd. (GSPC). IPMG offers two years MBA (Focused on Oil & Gas Sector), which is approved by All India Council of Technical Education (AICTE), Ministry of HRD, Govt. of India.

The Institute maintains a rigorous student selection process. IPMG uses the CAT (Common Admission Test, conducted by IIMs) score as an input for the admission process followed by of Group Discussion and Personal Interview.

Faculty members at IPMG are thought leaders in their relevant fields. There is a good portfolio mix of competent core, adjunct and visiting faculty from academia and Oil & Gas industry. The faculty members at IPMG bank largely on the case study method, field projects, simulations and role plays during the class-room discussion with the students.

Placement Process at IPMG is primarily a student managed activity. However, recognizing the importance attached to placement activities, there is a committee having faculty members and student representatives to provide overall supervision and directions for both summer and final placements of students.

Placement Calendar: 2008-09

Activity	Dates
Final Placements :2007-09	January 5 - 11, 2009
Summer Placements : 2008-10	January 20 - 25, 2009
Pre Placement Talks for Final Placements 2007-09 and Summer Placements 2008-10	October - December 2008

Lateral Placements

The objective of lateral placement is to place students with extensive work experience at levels commensurate with their relevant experience. Students have the right to accept or reject such offers. Once they reject all offers, they are at par with fresher students.

The lateral placement period extends from 1st to 31st December every year, necessarily before the commencement of final placement schedule in January.

Final Placements

As per normal process, IPMG can decide whether candidates can accept multiple offers or fix one offer as final with a restriction for appearing in any other company. This is normally decided by the Chairperson in consultation with the committee.

Companies are required to submit final offers made with the letters/salary details etc. properly signed and stamped along with wait list. Institute will request companies to send individual letters to all selected students.

Summer Placements

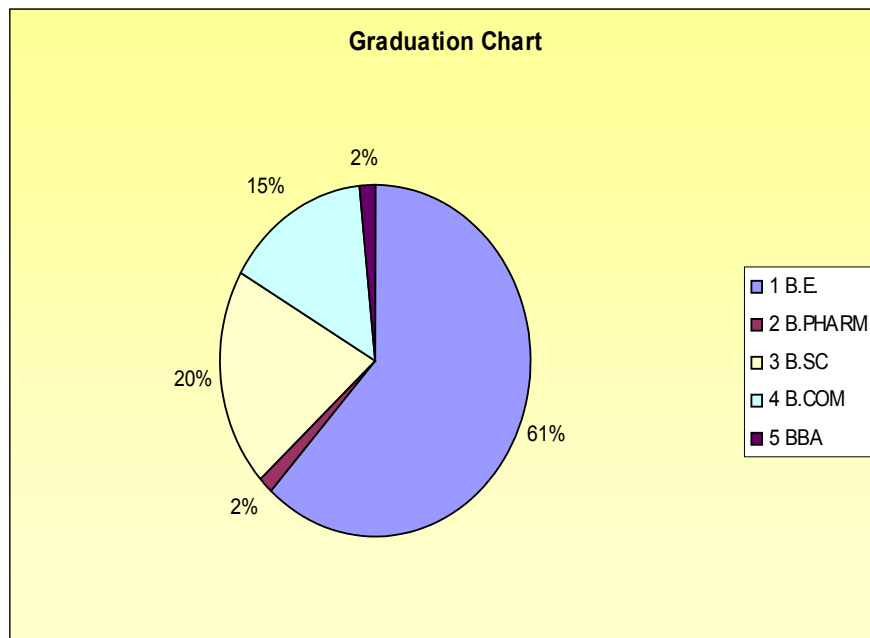

Summer placement is a significant part of the MBA (Focused on Oil & Gas Sector) curriculum for 8-10 weeks. Students selected in one company in the selection process are not allowed to appear in any other company. Companies provide final list of candidates selected, stipend offered etc. along with summer placements offer letter.

Corporate Visit and Presentations

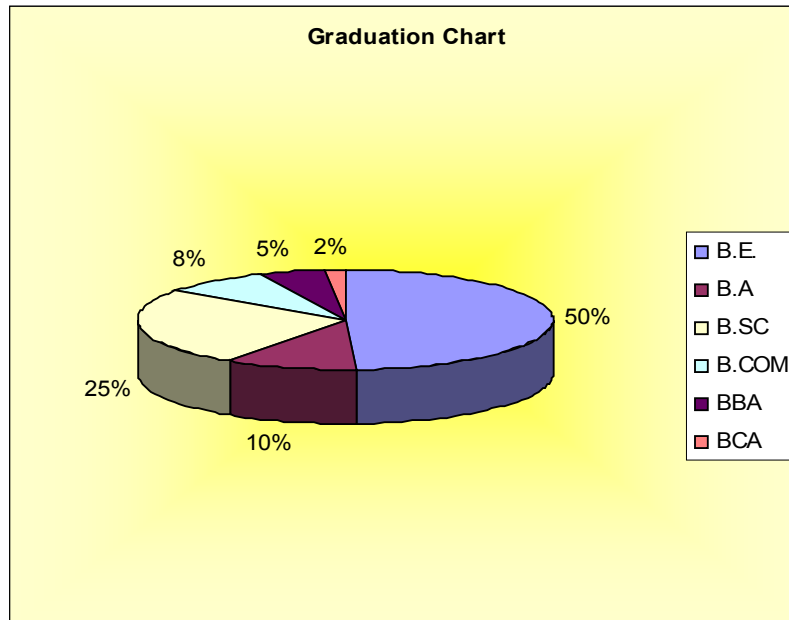

Corporate visit and presentations by students and faculty form part of a significant activity in the placement process. It is held during September every year. The presentation and the interaction is scheduled for 1 - 2 hours which gives the students an opportunity to learn about the organization and meet select few key executives of the company. Even the company is in a better position to know IPMG and its students during the interaction process.
