PANDIT DEENDAYAL PETROLEUM UNIVERSITY

PROFESSIONAL DEVELOPMENT PROGRAMMES

School of Petroleum Management feels immense pleasure presenting to you a wide range of Professional Development Programmes in various functional areas of management enabling executives to face the challenges in business and help them to enhance skills and thought processes. Accordingly the dedicated full-time faculty members developed and designed the professional development programmes.

OBJECTIVES:

- To equip the entry level engineering/management professionals with fundamental of Oil & Gas techno-managerial issues.
- To provide a stimulating learning experience to upgrade the professional skills of the executives.
- To provide special emphasis on learning of the fundamentals and practical application of the knowledge.
- To refine the skills of the participants with modern tools and techniques.
- To develop an intellectual curiosity among the participants that would encourage them to strive for excellence.

SCHOOL OF PETROLEUM MANAGEMENT

School of Petroleum Management (SPM), formerly known as Institute of Petroleum Management, Gandhinagar (IPMG), is a constituent of Pandit Deendayal Petroleum University. The School has been set up as a centre of excellence to impart formal educational and training programmes to students and executives. In addition to classroom teaching, the School is engaged in training, research, consulting and dissemination of body of knowledge largely in all the functional areas of management and specifically in energy and infrastructure domain.

At present the school offers following programmes:

- Masters in Business Administration (MBA)
- Post Graduation Diploma in Petroleum Management for working executives (PGDPM-X)
- Ph. D in Management

The serene environment of SPM blended with modern technologies heightens the spirit and energy level of all learners and inspires them to optimize their learning efforts. SPM's campus provides:

- Impressive and aesthetically built academic areas.
- IT systems with latest hardware & software and seamless Internet connectivity.
- Automated Library and latest communication facilities.
- Sports & recreational facilities.
- Residential accommodation for students.

PANDIT DEENDAYAL PETROLEUM UNIVERSITY

Pandit Deendayal Petroleum University aims to become a world class University in energy education and research with special focus on the oil and gas sector. The University addresses the need for trained and specialized human resource for Oil & Gas Industry worldwide and primarily desires to be known as the 'Energy University' creating highly skilled graduates to work towards India's Energy Independence and security.

Located in Gandhinagar, the capital of Gujarat, PDPU is spread over an impressive campus of about 100 acres and offers necessary infrastructure of a world - class institute. At present the university consists of following schools:

- **School of Petroleum Management**
- **School of Petroleum Technology**
- **School of Liberal studies**
- **School of Technology**

PDPU has international collaboration with University of Houston, University of Tulsa, University of Oklahoma and Georgia Institute of Technology.

3 Day Orientation Programme for Graduate Engineer Trainees/ Management Trainees/Others in **MANAGEMENT OF OIL & GAS SECTOR**
