

Business Management Symposium 2019

MAKING INDIA A \$ 5 TRILLION ECONOMY & ROLE OF INDIAN INDUSTRY

SPM, PDPU (17th & 18th October 2019): A Report

School of Petroleum Management, Pandit Deendayal Petroleum University, Gandhinagar organized a two-day educational event, Business Management Symposium on 17th and 18th October 2019. The theme of the event was "Will India be able to achieve \$5 trillion economy till FY 2024-25?" The three tracks of this event focused on the service sector, manufacturing sector, and the real estate sector and how they play a significant role in contributing to the Indian economy. Confederation of Indian Industry (CII) and Business Standard had supported the event. Prominent speakers from the Industry that included organizations like Edelweiss, Claris Capital, GIFT City Ltd., JLL (I) Ltd, Arvind Envisol Ltd., NTPC, IOCL, StockEdge, Tower Overseas, AnaRock and Dholera Industrial City were invited to enlighten young minds and make them aware of the current scenario of the Indian economy and their opinions and views on how this goal of our Prime Minister can be achieved. Students also enthusiastically participated with their intelligent rejoinders that made
