

Minutes of BoS Meeting (15th July 2016)

(A) Chairman Board of Studies, SPM appraised the members about the course review exercise undertaken at SPM wherein inputs from all areas were sought. Based on area wise inputs the following changes are proposed.

1. Revert back to two separate section for MBA (E & I) and MBA (General Management) from academic year 2016-17. E & I students are required to choose minimum 24 credits from E & I category courses as elective courses in second year.
2. No changes in PGDPMX programme.
3. The number of credits for new batch (2016-18) is to be reduced from 120 credits to 110 credits over and above SIP of 8-10 weeks.
4. Planning to introduce new course on "Managing Renewable Business" (half credit) as an elective in second year for E & I Specialization.
5. Planning to introduce new course in the first year for General Management Section on "Business, Government and Society" (half credit).
6. Planning to take-out two core course from second year i.e. "Business Ethics and Corporate Governance" and "Industrial Relations and Labour Laws".
7. The contents of second year Finance elective course "Insurance management" may be covered in the course on "Management of Financial Services". Thus the Insurance Management course will be removed.
8. The contents of energy financing course will also have contents of Project Finance course. Thus the course on Project Finance will be removed.
9. Course on Venture Capital and Private Equity may be removed.
10. New course on "Business Valuation" is proposed.
11. Two separate course on "Operations Management in Services Sector" and "Services Marketing" may be merged and the single course on "Managing Services Business" may be offered.
12. E & I Technology Perspective may be offered as full credit course.
13. HR area suggested adding course on "Green HRM" and "HR Analytics" as electives in second year. In lieu of "HR analytics" course "HR Tools and Techniques" course may be scrapped.
14. OM area suggested including course on "Business Analytics" as an elective course in second year.

The members agreed to above changes and appreciated the detailed course review exercise.
